Pro-Golfer Alexandra Schulte Becomes Newest NABI Ambassador

Golf Tournament to benefit NABI Foundation planned for April 2013

Phoenix based NABI Foundation, a National Native American Youth Foundation, continues to grow with the addition of Alexandra Schulte and a golf tournament to raise funds for NABI's expanding programs.

Alexandra Schulte, a Native American Professional Golfer from the Northern Ute Tribe, graduated in December 2010 from University of Arkansas, Fayetteville, Arkansas. She had a full golf scholarship, was a 4 year starter including 4 SEC Championships, 4 NCAA Regional and 1 NCAA Championship appearances. She finished among career leaders in many historical statistics. "I am very honored to be added to the roll of Ambassador for NABI Foundation. It is my goal to encourage Native American youth to live healthier and more productive lives through sports and academics, while not forgetting their ancestral culture and heritage. I thank NABI Foundation for the opportunity to spread this message among our Tribal Youth" says Alexandra.

GinaMarie Scarpa Co-founder & CEO of the NABI Foundation says "Timing is everything. We were recently approached by Dallas based companies Beard Integrated Systems, Inc. and Native Nations to be the benefactors of their annual golf tournament and then heard about Alexandra through our partnership with Ak-Chin Indian Community who sponsor Alexandra. The stars lined up. These are both great opportunities for the sustainability and mission of our Foundation and the talented youth we serve".

The 1st Annual Beard Native Nations golf tournament will be held April 29th at the beautiful WinStar Golf Course/Chickasaw Nation to include a silent auction, open reception and a guest appearance by Alexandra. "On behalf of the Beard organization we are proud to be a partner with the NABI organization. Beard has endorsed and sponsored many fine nonprofit organizations over the last 70 years and I can tell you that there is no other national organization we would rather be affiliated with moving forward. NABI and Beard is a winning combination for the future of our Native American youth" says Bert Wells CEO of Beard Integrated Systems, Inc.
